

New @OverDrive: Forward Together

OverDriveTM Marketplace

What's NEW in OverDrive Marketplace

NEW Patron Interests Dashboard - How does your library help readers discover books NOT in your collection? Readers use Deep Search in Libby, then indicate titles of interest with the Notify Me tag. Your team can access real-time data in the Dashboard.

NEW Access+ Collections - See what titles are available in *multiple* access models so you can select the most cost-effective option for your collection, such as long-term collection-building, everyday reading or special events.

[Discover in Marketplace.](#)

OverDrive Max - Bundle loans with concurrent use and no expiration! Cut down on wait times, support book clubs and build "available now" collections with this library-friendly access model that maximizes circulation and savings. [Search for Metered Access Concurrent Use \(MACU\) titles in Marketplace.](#)

What's NEW in Libby

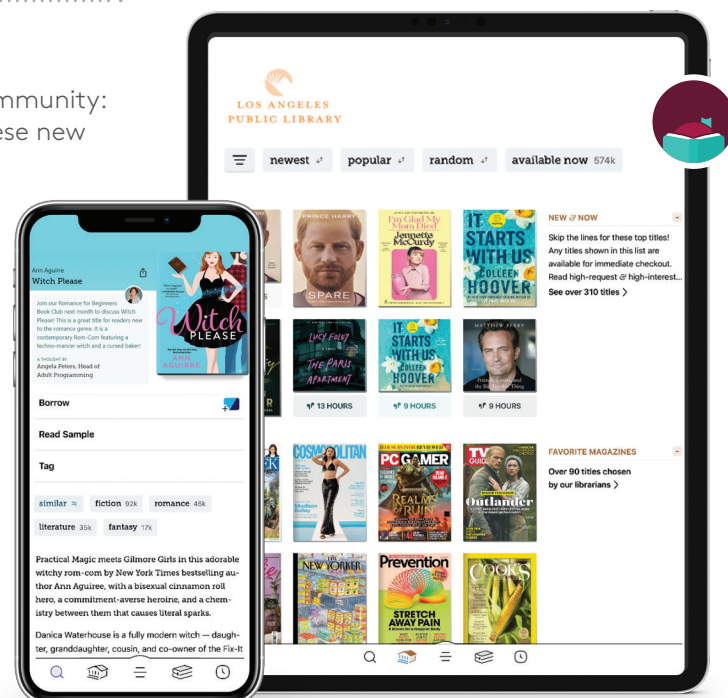

NEW Languages in Libby - Engage more readers within your community: the Libby interface is now available in 15 languages, including these new additions: Danish, Icelandic, Korean, Malay, Tamil and British English. Automatically displayed based on user settings.

Your library brand + messages in Libby - Let patrons know about your library in the Libby app. Include your logo and colors, leverage advanced curation tools, and add personal notes to specific shelves or titles with Shelf Talkers.

[Learn how at resources.overdrive.com/adding-shelf-talkers](https://resources.overdrive.com/adding-shelf-talkers)

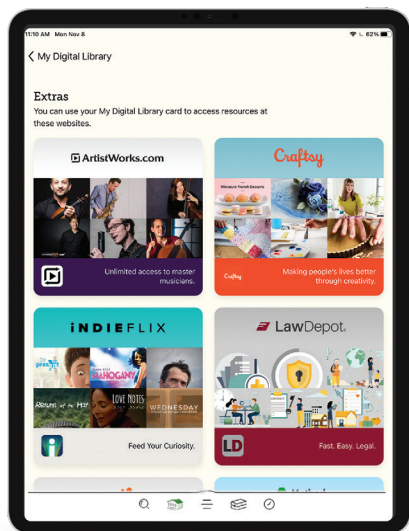

Magazines - Give your community more to love in Libby! Enjoy over 4,000 titles, including 100 in Spanish, Chinese and other languages, with no circ cap and unlimited simultaneous use. With smart tags in Libby, patrons can be notified when each new issue is released. Newly added magazines include: *Magnolia*, *Traditional Home* & *Bluey*! [Visit the Simultaneous Use section of Marketplace.](#)

NEW Libby is now available in the Amazon Appstore for Kindle Fire!
