

Empower Every Employee Resource Group (ERG) with a Shared Digital Library

A company-wide resource for connection, growth, and belonging

A LIBBY DIGITAL LIBRARY—EASILY SERVING ALL ERGS

Support every ERG with a shared collection of ebooks and audiobooks that meets diverse needs across identities, skills, responsibilities, and goals. Customize collections to include thought leadership, career development, personal wellbeing, business best sellers, skill build, and more

Instant, Inclusive Access. Employees read or listen on any device, anytime.

Build Strong Communities through conversations, book clubs, and shared learning.

Amplify Learning & Development with continuous access to leadership, skills, and the ability to support the organizational culture that makes your company stand out.

Promote Well-Being by supporting mental health, mindfulness, and personal growth.

Give ERGs Curation Power with easy, centralized collection management.

Cost-Effective, Scalable, Simple. Flexible pricing, high usage value, easy deployment, plus reporting tools.

Build a digital library that is tailored to your organization's needs, values and priorities.

Scan and fill out the form to schedule a demo, explore pricing, or customize collections for your organization.
