

Magazines

Alongside your ebooks & audiobooks in Libby

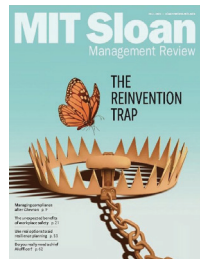

Get thousands of titles for one low price to support patrons' interests – current events, business, health, pop culture, politics, fashion and more! Magazines are available for simultaneous unlimited use, and readers can seamlessly access these engaging titles via the Libby app.

HOW DO MAGAZINES WORK?

- All magazines are available for simultaneous use, with no circulation caps.
- Any new magazine issues will be automatically added for the duration of your subscription.
- You'll pay a set annual subscription fee and receive all magazines available.
- No platform fees!

HOW DO USERS DISCOVER AND ENJOY MAGAZINES?

- Users can open and start reading a magazine with one tap, generating a checkout for your library.
- Users can subscribe to magazines via the Subscribe option. When a new issue is released, it will automatically be added to the user's Magazine Rack.
- Magazine Rack allows users to see the latest issues of their magazine subscriptions and any other issues they choose to keep.
- With the Newsstand, users can view their recently opened magazines and other popular magazine titles in your collection.
