

Ebooks & audiobooks for corporate libraries

Empower employees with a world of knowledge at their fingertips

Libby is the digital reading platform employees already love—now available for the workplace. With a beautifully designed, intuitive app and a vast catalog of ebooks, audiobooks, magazines, and more, Libby empowers companies to build curated collections that reflect their culture, values, and goals. Whether for professional development, personal enrichment, or mental wellness, Libby helps organizations foster learning, connection, and retention through the power of reading.

DRIVE YOUR ORGANIZATION'S MISSION

- Transforms reading into a scalable, and inclusive employee experience.
- Support upskilling, wellness, and engagement with curated content across formats and from 30,000+ publishers.
- Flexible access to ebooks, audiobooks, and magazines—anytime, anywhere, on any device.
- Make learning equitable and accessible with inclusive formats and personalization tools.
- Leverage Libby's trusted brand to drive adoption and satisfaction from day one.
- Libby makes it easy, and affordable, for companies to invest in employee growth and development.

Some of our publishing partners:
